-We act as though comfort and luxury were the chief requirements of life, when all that we need to make us really happy is something to be enthusiastic about-C. Kingsley

I want to thank everyone who attended the District Installation on Monday, May 10,2004. There was a great turnout. A **BIG THANK YOU** to Sandy Zimmerman for coordinating this event.

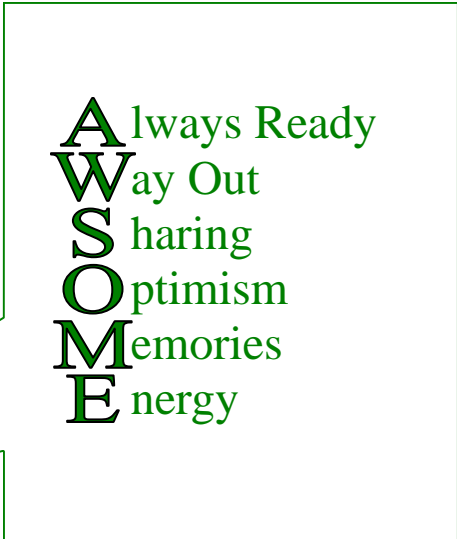

Enthusiasm is what I hope to bring into this new year as president. Each of you as members has motivated me to do the best I can this year. As I mentioned at the installation, quotes help me visualize what I want to accomplish this year. One of the quotes that made me decide to take this position was "*Why not go out on a limb? That is where the best fruit is!*" That is how I feel about each and every one of you - the best of the best. You all motivate me by being members of GreeneBucs, even past members.

Some of the goals I would like to see the club accomplish are:

1. New younger members (hair color will not be a determination)
2. Ramp program up and operating
3. Greeters for the speakers and new members
4. More socials **and**
5. Last but not least to start a new club in Troy.

Can we accomplish these? Only with everyone's participation.

Our new Vice President Scott Zimmerman has already sparked the competitive edge in me. (We are seeing who can get a Big Hat first)! To our great Board of Directors: Alan Eakle, Pat McWilliams, Amy McDougle , Joyce Peet, Joanne Petering, Cathy Peters, and Steve Wheeler, plus Pat Buckholt as Secretary, Bill Buckholt as Sgt of Arms and Jaime Jones as Treasurer I look forward to a great year ahead.

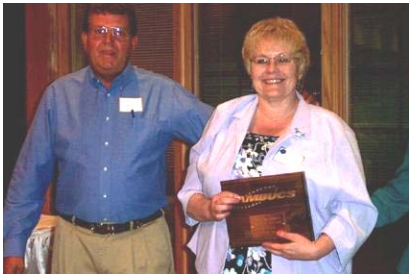

Devlynn Tanner

Ambuc District 3-E officer Installation was held May 10th. The evening was very well attended by Greenebuc members. Awards were given out by Alan Eakle to several members for all their special efforts. Gussie Jones received Project Manager Award and Devlynn Tanner was donned Ambuc of the Year.

Accolades to all!

Committees Being Formed

Volunteers Needed...calling all new members or not so new members who are interested in getting involved in the chapter. Now is the time to join a committee. There is no better way to learn more, meet wonderful people, and accomplish great things than to first join a committee. Your time is a valuable resource and everyone respects that. So if any of these committees look interesting to you or if you have a special talent that can benefit others, please let us know.
