RAMP PROJECTS WINDING DOWN FOR WINTER:

For this first year the ramp project has taken time to develop. With the help of Danny Stine (for Southwest Dayton Chapter), Scott Zimmerman (our current Vice President), Roger Peters (Cathy Peters, Board Member's spouse) and his father the following ramps have been constructed:

Xenia-2 ramps last year, 3 ramps this year with one or two request to be filled

Beavercreek-1 large ramp constructed

Fairborn-1 project in process and 1 more request to be filled.

Each city provided us with a grant from different funding sources and guidelines to follow.

What a great month October has been! I had one of the best weekends of my life at the Regional Convention. The fun started with making plans for the USO theme for the Friday night mixer. Thanks to the many members who volunteered; with the help of (Sandy Zimmerman, Pat Buckholt, Pat McWilliams, Jo Ann Petering, Jaime Jones, Amie McDougale, Joyce Peet, Lea Ravlin, Pat Thoerner, Scott Zimmerman, & JoAnn Howard) the USO party was a hit! Cathy Peters added an extra touch to detail by providing all the signs.

I did not attend the golf outing. Gussie as a seasoned golf outing coordinator did a great job, as I heard great reviews from the golfers.

Saturday was even better than Friday night! Keeping with the military theme for our luncheon, Linda Fisher Stine had a speaker from the Dayton VA, who received a check for \$1000.00 from Ambucs. Four trykes were given out to 4 children, who had parents involved with the military. The children receiving their first Amtrykes touched Tom Loudis, Leonard Epperson, and several other members from the region. Especially after Sue and Alan Eakle read the biographies of the children parent's commitment to the military. That evening GreeneBucs was honored by several awards look in your newsletter to see what we accomplished in the region.

Included with this newsletter is the Amytryke Wish List. If you know anyone who would be interested in buying a tryke, Alan Eakle has a letter you can give to a sponsor. Having the mobile demo site in the Xenia parade last month prompted a response. The Clifton Old Timers Club-Love Cupboard will fund a tryke for a child in Jamestown in December at their annual Christmas party for children.
