GREENE BUCS

Cathy Peters

Let's all get geared up for the great upcoming activities we have planned. The social at the Bombers will be an exciting time. The Bombers organization has been supportive to GreeneBuc's, what a wonderful way for us to show our support to them, and have fun at the same time.

Roger & Paul have teamed up to coach their GreeneBucs through a competitive membership drive this year. Be sure to check out how to win points for your team.

Auction items are being collected for the Big Hat Holiday Auction. Everyone's help will be needed, please let Sue Eakle know how you can help.

Now, get ready, set, let's go!

OCTOBER IS NATIONAL AMTRYKE MONTH

AMBUCS announces the first National AMTRYKE month.

The purpose of National AMTRYKE Month is to concentrate efforts on celebrating the AMTRYKE therapeutic Tricycle and its benefits within our communities. October will be the month to make extra effort to provide AmTrykes to children on the Wish List.

GreeneBucs has participated in several efforts to promote AMTRYKE MONTH. First off, GreeneBucs was the recipient of funds raised from a motorcycle run. Secondly, the mobile demo site was requested at a soccer game for children with disabilities to inform the families in attendance about AMTRYKES. Finally, participation in RALLY IN THE VALLEY a networking of all the clubs to disperse as many AmTrykes as possible in the Miami Valley to children on the area Wish List. See attached flyer for info.

Ride For Independence

Although the day started out dreary & cold, many hearts were warmed when Timothy was presented an AMTRYKE at the 1st Annual Columbus Day Weekend Ride sponsored by Motorhead Storage.

Timothy's family attended the Beavercreek Popcorn Festival and visited the Mobile Demo Site. At the site Timothy was evaluated by Joyce Peet (AMBUC Therapist of the Year) for an AMTRYKE. The next week a call from Courtney Robbins, VP, of Motorhead Storage of Dayton, was calling on behalf of her father who wanted to do a community project promoting independence for individuals with disabilities. Cathy Peters, current president and several other members met with Courtney to organize volunteers, signs, sponsors, mobile demo site and an AMTRYKE give away on Saturday, October 8th.

Timothy was selected to receive an AmTryke. After he was placed on his new AmTryke, the smiles were non-stop as Timothy, his family, GreeneBuc volunteers, and riders looked on.

Two riders from GreeneBucs participated in the event. All donations totaled the cost of an AMTRYKE. Thank you Courtney for a great job!!!

Before ramp was built

Ramp Project-Xenia

The Zimmerman family headed up the construction of a ramp for a gentleman who has lost both of his legs due to poor circulation. As you can tell from the before and after pictures this man was in dire need of a ramp.

Scott, his family, Frank Weaver, and another volunteer Jim Rose completed this project before he arrived home from the hospital. Funding was obtained from a grant from the City of Xenia.

Thank you Ramp Committee for a well constructed Ramp!!!

Mobile Demo Site Visits Soccer Field

Volunteers helping out with demo site

Sunday, Oct 16, the mobile demo site was invited to a family day at the Yankee Soccer fields, where children with special needs have the opportunity to play soccer. Several children were evaluated for AMTRYKES.
