Our Mission

AMBUCS™

is dedicated to creating mobility and independence for people with disabilities by

- Performing community
- Providing AmTryke®
- therapeutic tricycles to children with disabilities
- Providing scholarships for

Cathy Peters

Our club lives by this statement & we strive to have fun while reaching our goals. We will be participating in "The Rally in the Valley" on Oct 29 in hopes of eliminating our local wish list for AmTrykes. We will also be presenting an AmTryke at the upcoming Motorcycle Ride, which is planned for Oct. 8th. Our GreeneBuc committees are planning socials, holiday auctions and a membership drive. Ramps have been built, parades & festivals have been attended, we have all been very busy promoting the AmBuc mission.

Please try to join us at Beaver Creek Golf Club on the 1st & 3rd Wed of each month for our lunch meetings, I am looking forward to seeing all of you there.

HOW DO YOU BECOME A 100% CONTRIBUTOR TO THE LIVING ENDOWMENT?

It is best done through your chapter. Chapters tend to support in the Living Endowment Fund one of these ways.

1. BIG HEART CAMPAIGNS. Through this program individual members make pledges and donations through their chapter to support the Living Endowment Fund. This is usually an annual appeal done at the chapter level.
2. DUES STRUCTURE. Some chapters build Living Endowment Contributions into their dues structure. This makes it easy for individual members to participate in the Living Endowment and ensures that the chapter is always a 100% contributor.
3. FUNDRAISERS. Another common activity is chapter-sponsored fundraisers to support the Living Endowment Fund. These annual events include auctions, raffles, and special events.

GreeneBucs uses the dues structure with additional funds added.

Once again GreeneBucs participated in the Holiday at home Parade on Labor Day. 10 club members, 2 friends, 12 children & 1 canine walked, rode or drove down Far Hills Ave at a rapid pace! Waving heartily, all of us were proud to be part of a wonderful family oriented event.

NATIONAL AMTRYKE MONTH

AMBUCS announces the first National AmTryke Month this October. The purpose of National AmTryke Month is to concentrate efforts on celebrating the AmTryke therapeutic tricycle and its benefits within our communities. October will be the month to make extra efforts to provide trykes to children on the Wish List. Please note the extra activities that GreeneBucs and the chapters in Miami Valley will be hosting.

Getting the float ready to go

A big thank you to Alan Eakle And all his hard work to have the float at the Xenia Old Fashioned Days Parade Saturday, Sept. 17th and to all the volunteers who showed up to ride the float! GreeneBucs received great news coverage on Channel 7. Three families showed up who have received AMTRYKES for a family member.
