### AMBILITY ON THE ROAD

Charlotte O'Meara, chair person of the Ambility Committee, in conjunction with National Ambility month (October) delivered 5 AMTRYKES to locations in Franklin County.

3 AMTRYKES were delivered to the demo site at Columbus Children's Hospital. These replaced obsolete models of trykes that had been there for several years.

The remaining 2 AMTRYKES were given to the Ohio School for the Blind where they made a huge impact. Children who would not even go near other bikes are now eager to ride the AMTRYKES as soon as they arrive at school.

And, parents seeing the difference in their children have called inquiring about the trykes for their children to use at home! **SANTA CLAUS IS COMING!!!!**

There is a great AMTRYKE video a parent posted on YouTube.com <http://www.youtube.com/watch?v=yixs0pM58bU>. With enough views we can make it a featured video!
