February is National Visibility Month and National Service Day!

GreeneBucs has decided on two projects. One for each of these activities.

- The first activity involves member's attendance at the Ohio State Moose Association Conference. AMBUCS/GREENEBUCS has been selected as the service club for this year's Moose annual charity project. At this convention the club will receive donations for AMTRYKES from Moose clubs in the state of Ohio.
- For the National Service Day the club members are being asked to bring a pair of "reading glasses," for the Women's Recovery Center, to the next GreeneBucs luncheon meeting. This group has a pressing need for the glasses and any strength will do.

BIG HAT PROJECT

The Big Hatters are making a donation to the Combined Health District for child car seats for children at risk. Beth Player who represents this agency, had a 3 year grant that has been exhausted. This organization provides car seats for qualifying families.
