

Beavercreek Popcorn Festival

Once again your chapter came through and offered the attendees of the Beavercreek Popcorn Festival the chance to see and learn about AmTrykes, and our mission. Thanks go out to all the members who gave of there time to 'man' the booth, setup and tear down.

First Evening Meeting a Success

Our first evening membership meeting was deemed a success.

The members in attendance voted to continue to have the guest speaker meeting in the evening (6:00 PM), and the Big Hat Raffle meeting remain at the usual (Noon) time, same Wednesdays as before.

Our first speaker was Bill Richey, past Teacher of the Year, who gave a great Science is Fun demonstration, and shared his passion for the education of our children.

The second evening meeting featured Bob and Emma Eddy who had a lot of information about Oktoberfest in Munich, and gave us a lot of ideas for use in our Oktoberfest theme Fall Regional Convention. Thanks to all of the speakers.

Those associate and friends members who plan to attend should remember that the meal cost is \$10.00 and is payable to the Treasurer at that time. Please RSVP Louise so she can give the Golf Course the count for dinner.

Fall Branding Time Is Here!

Fall Branding Time is upon us, and as always, our club is looking for new members!

We have a great contest set to kick it off. The theme is 'Who is Smarter Than a Fifth Grader' (Ambuc Edition), so Brush up on your Ambuc History, GreeneBuc History and the State of Ohio History and come to Wednesdays meeting ready to compete.

Points = 1 point for attending, 2 Points for each guest, 3 Points for each friends Member, 5 Points for each new member, A Prize and 7 points for each correct Ohio answer, A Prize and 10 Points for each correct AMBUC answer.

Our goal is to get at least FIVE new members. We need everyone to help by getting the word out about AmBucs / GreeneBucs and by ASKING people to join. I know it sounds funny, but no will join unless YOU ASK!

Bring a guest to the meetings, the guests meal will be picked up by the club during Branding Time.

Board Meeting Time Change

One of the realizations that came about due to the move of the membership meeting to the evening is the fact that the board could meet on that same night after the membership meeting. This would give the members better access to the board and officers, and reduce the need to schedule an additional evening for the officers, board, and chairpersons to meet.

Therefore, President Louise, after getting a consensus a majority of board members, has decided to hold the board meetings at 7:30 on the evening of the Evening Membership Meeting.

All members are invited and encouraged to stay over for this meeting. Those that would like a bigger part in your organization, either as an elected officer, chairperson, or director should attend to get a better understanding of how our club operates.

Social Held At Bar Louie's at The Greene

GreeneBucs Social Committee, headed by Lori Stagler, put together the quarterly social at Bar Louie's at The Greene in Beavercreek. There is no reason to say this, but everyone in attendance had fun. No reason to say? Well don't we always have fun at an GreeneBucs event? With Dollar Hamburger Night, and Dollar Beers, no one went hungry or thirsty!

Everyone had a chance to talk about what was happening in the club but most just used it as a chance to catch up on all storm damage and power outages news and how it affected all of us in GreeneBucs.

HALLOWEEN SOCIAL

Mark your Calendar and plan to join us on Saturday October 18th , 6:00PM for a GreeneBucs Halloween Social.

The location is Mary's Coffman's House—in the Barn at 8927 Adams Rd, Huber Heights, OH 45424. For a map and directions click the calendar link on the web site, www.greenebucs.org and then the click on the event listing.

Everyone is welcome, and this is a great time to bring your friends and family to a GreeneBucs social.

Everyone is asked to bring a covered dish to share, their choice of beverages, and a lawn chair. The event is mostly outside, so dress accordingly. Costumes are encouraged, There will be Voting and Prizes!

All members should have received an invitation, via email. Make sure you reply so that we can get an idea of who is coming. If you did not receive the invitation, please RSVP to Traci Weimer at tweimer001@woh.rr.com

Thanks to member Mary Coffman for allowing us to hijack her party! See you on the 18th!

Money Donated to Community Service Project

The GreeneBucs Board met August 11, 2008 and approved \$300.00 for the Community Action Partnership Third Annual School Clothes and Supplies give-away with a gift card to Wal-Mart to purchase items for the give-away.

The event was held Friday, August 15, 2008 at the Media Room on Ledbetter Rd. in Xenia. Representatives from numerous agencies were available to answer any questions or do referrals for families.

This even was open to any children in Greene County in need of school clothing and supplies to make their 2008-09 school year successful.

A Big Thank you to GreeneBucs from the Community Action Partnership!!!

K.I.D.S. Identification Project

The K.I.D.S. Identification Program is a significant part of the Community Outreach Division of the Greene County Prosecutor's office.

The purpose of the program is to provide parents with a means to assist in locating their children in the unlikely event they become missing or are abducted.

A free laminated identification card, complete with the child's photograph, thumbprint, and identifying information is printed out and given to parents who wish to participate. This card can be taken to any local police department to assist in a search should one become necessary.

The K.I.D.S. trailer is highly visible and is at every Greene County festival during the spring, summer, and fall months.

During the winter months, the program is taken to all branches of the Greene County Library and plans are underway for expansion to other locations in the county during the winter of 2008/2009.
