November-2009

AMTRYKE GIVING

NOTES FROM THE PRESIDENT

I love it when a plan comes together. You are all great about helping with projects & last minute calls. Thanks for all you've done this past month. The Tryke build & the P. Buckley Moss Dinner went very well. The pre-planning for the Christmas Auction is on the top burner. This is one of the busiest months of the GreeneBucs year. Please remember there are only about 2 weeks left until the Auction. I ask you to please sell the tickets to the Auction, sell tickets for the P. Buckley Print Raffle & remember your Auction gift items & bottles for the Christmas Cheer Basket. Ask various merchants you frequent for donations, & bring in your gifts before the set-up meeting to Sandy Zimmerman's home. Everyone will gather at her house on November 23rd at 6 pm to organize the gifts, the Auction database, & to do some final Auction set-up & basket wrapping. With Thanksgiving coming late in November & the Auction early in December, we have to get ready before the Thanksgiving holiday this year. Please come to the Mon. 23rd event. Your help is very much appreciated, & we always have a great time. Then don't forget the Christmas shopping, 6:00 p.m., December 7th, at the Beaver Creek WalMart for our Four Oaks Projects & the wrapping party at Sandy Zimmerman home December 9th. See the calendar for time and details.

Kudos

... go to Joyce Peet for arranging the tryke give away at the P. Buckley Moss Dinner. Against all odds & Halloween, Joyce arranged for Kora Asklock to receive a tryke. ...go to Charlotte O'Meara for arranging the AmTryke Build at Alek Industries. So many needed trykes were assembled for children who waited a long time on our list. ...go to Wright Patt Credit Union for having a tryke build for Greenebucs. This is a part of their Community Development Program for new employees.

("Kudos " is a new column in the newsletter. If you want to give Kudos to someone who has done a special job for Greenebucs, please send me an email and it will be in the next addition.)

The P. Buckley Moss Dinner

It feels so good to be asked to be a part of The P. Buckley Moss Society's major fund-raising effort & to be asked by the Canada Goose Gallery if they could host a dinner for us with P. Buckley Moss (Pat). The dinner proceeds were for Greenebucs. See our pictures taken at the dinner by Jody McCurdy. Pat entertained us with many stories about her life & travels. She is a great speaker & loves informal audiences. Pat signed her paintings at the Canada Goose Gallery in Waynesville & then honored us at dinner. We gave Kora Ashlock a tryke. Kora is a beautiful 3 ½ year old who was born with staggering disabilities. Already, she has overcome many problems after 15 operations. She is quite bright & speaks very well. She rode to each table & thanked everyone, & then she asked Pat where she had her nails done. Kora also had pretty manicured nails. Pat never missed a beat & added lots of humor which Kora understood & enjoyed. Thanks to Joyce Peet for helping by arranging the tryke give away & the tryke fitting.

Branding Month and Club Membership Build Jerry Thornton and Sue Eakle are having a great Membership game and we are anxious to see which wonderful team wins the game. Participation in Greenebucs events continues through November. Remember that your attendance at the November 18th Dinner Meeting, the November 23rd Auction Prep Meeting and certain new members bring great credit to your team. Jerry has send out many letters to friends and business asking them to join Greenebucs. What have you done for your club today?

The Tryke Build and Ambility We've given 2 trykes away and have taken a name from the National Wish List. We will give another tryke away at the 18th Dinner Meeting. The AmTryke build was another great success. Charlotte O'Meara arranged the evening. Alan Eakle ordered 26 trykes for the build. We put together a lot of trykes but have more to build. The pictures will show you the fun. We even had a pizza, salad and cookies dinner. Look for more announcements about another tryke build.

GreeneBucs Pay Pal Notice Yes ! We are adding technology to our website. You may now buy your Christmas Auction tickets online at the GreeneBucs website. Look for www.greenebucs.org and look for the Pay Pal button. This is the first use of PayPal and we hope that it makes it easier for you to do business with us. We will look into using it for several more transactions.

October's Evening Meeting and AmTryke Event The dinner meeting in October turned out to be quite a success. We had many quests for the Membership game and really celebrated Branding time. Beaver creek Golf Club staff had to set up additional tables for all the Attendees. One of the Amtryke recipients came with a scrapbook he put together to show us how excited he is with his new bike. His parents are quite supportive and helped by telling us his tryke story. We also gave away a tryke to a very pretty little girl, Madelyn Dull, whose physical therapist Marie Mariano from United Rehabilitation Services assisted with the fitting of the AMTRYKE. Madelyn started around the room with her new tryke to show us her new mobility.

The Christmas Auction Progress Plans for the auction continue to roll along in a positive manner. The most pressing issue is the distribution/sales of tickets; creation of bid sheets; collection of sufficient prizes and bottles of liquor for the basket of cheer. This will make the auction another resounding success. Louise Gibson is lining up volunteers. If you would like to help out please e-mail Louise at Louise_Gibson@yahoo.com. We need donations for \$10.00 gift table items, silent auction items, and cookies or specialty baked items. Remember we are doing set up at 8:30 at the Beaver creek Golf Course, Wed. 2. Check the calendar for dates and times of up-coming events.

Have a Happy Thanksgiving
