BIG HAT CLUB

July lunch meeting started off with 3 guests. The first guest was Judy Green from Hospice "Blankets of Love". She showed us a beautiful variety of afghans that were either knitted or crocheted by volunteers who meet twice a week to work on this project. Each individual at Hospice is given a blanket. A donation from GreeneBucs for \$100.00 was presented to Judy to purchase yarn to continue with this worthwhile endeavor.

If you have any yarn or gently used afghans you would like to donate contact Judy at 879-3197. The second guest was Brian Zerkel from the V-Twin Cruiser Motorcycle club. He presented the club with a check for \$95.00 for a fundraiser they held on behalf of GreeneBucs. The group is doing another project in September. Check out the flyer in this newsletter. They plan to stop by the Popcorn Festival too. Lastly, Renee Laux a student from Sinclair college was interning at Therapy Connections and at Camp Silver Lake as an assistant to help out with the campers.

The Big Hatters started off with a new raffle and the Jack of Clubs was drawn as the new card. Members sang Happy Birthday to Joyce Peet who is celebrating the BIG 50!!

Pictured with Pat Buckholt are Barb Hanna and Bob Lyle who were inducted at the meeting as new members...Welcome!!!

Other news: GreeneBucs needs three trykes to be constructed for the Indian Lake Moose event. Mike Cornell will construct 2 of them. If anyone else is interested please contact Joyce Peet at 427-1919 and talk to her assistant, new member Kim Oppy. The club will be giving an AMTRYKE away at the National Conference.

GREENEBUC HAPPENINGS

JULY 2011

- JULY 6- LUNCH MEETING
